

PUT THEORY INTO PRACTICE

STEAM Summit

Everything we do at PNC is to help make life easier for our customers. And our theory is that there are a lot of ways to innovate digital financial services. This is your opportunity to put your best ideas into practice at this fun and engaging team event.

STEAM Summit Activities

- Hear from PNC leadership.
- Participate in an interactive and intensive Hackathon.
- Be paired with a PNC mentor.

Application Process

To be considered for this event, you will need to submit your resume and a short essay (up to 350 words) responding to the following:

Innovation is critical to understanding our client's needs, protecting their interests and driving their success forward. In your personal experience, tell us about a technology solution you've recently created or updated to best meet the needs of others. What do you hope to get out of attending this event?

Qualifications

- 3.0 GPA or higher in a STEAM-Related Major
- Interest in the Financial Services Industry
